# OVER THE YEARS

Commentaries based on cataloging over 300 sales

We are pleased to catalog this exclusive paper money sale, which in many respects is comparable to the outstanding contents of the currency in our 1977 A.N.A. Sale. Many "old friends" have been consigned to us from collectors who have acquired them from our past sales or purchased them outright. Some we can recall handling three or even four times over the past half century or so. Of course they have added a "0" or even two or three "0's" to their values in the intervening years.

Currency has certainly come a long way since Friedberg came out with his book illustrating paper money in 1953. The increased demand led to the formation of the Society of Paper Money Collectors, which quickly grew into the largest numismatic organization next to the A.N.A. The International Paper Money Show in Memphis each June has grown phenomenally, with many collectors making it THE CONVENTION to attend.

A comparison of the prices which the rare and high denomination notes fetch with prices of coins leads to the inevitable conclusion that paper money is still somewhat undervalued. Very little was "laid away" compared to coins. A careful perusal of recent offerings reveals very little top quality notes are presently available compared to top quality coins.

1. All coins and currency are sold unreserved to the highest bidder.

2. **Your bids, which represent your limits, will be executed with a 5% buyers charge.**

3. Mail bidders are responsible for any errors made in their bid sheets. We cannot accept responsibility for your errors, either in lot numbers or bids.

4. Bidders must establish credit with Kagin's for the total amount of their bids. Those bidding for the first time must supply complete and satisfactory credit references, and a deposit equal to 25% of the total amount of their bids. Deposits will be applied to lots purchased and any unused portion will be refunded after the sale.

5. Bidders who are unknown to us, who wish to pick up their coins at the sale must make prior arrangements with Kagin's.

6. Payments for lots must be made when the coins are picked up or when the invoice is received.

7. All material is guaranteed to be genuine and as described.

8. **Lots purchased by floor buyers CANNOT be returned.**

9. Lots purchased by mail bidders cannot be returned without our written permission.

10. All claims for adjustments must be made in writing within 5 days following the receipt of the coins or invoice. Late remittance for purchases is cause for negating this privilege.

11. Title remains with Kagin's Numismatic Auctions until full payment is received by Kagin's. **ALL REMITTANCES MUST BE IN U.S. FUNDS.**

12. All lots delivered in Tennessee are subject to Tennessee Sales Tax Laws. Postage and insurance will be charged on lots mailed.

13. If there is a dispute between bidders, the auctioneer will determine the final award.

14. If there are duplicate bids, the lot will be awarded to the first bid received by Kagin's.

15. All mailed bids must be received in Des Moines 3 days prior to sale date.

16. All bidders must be of legal age (18) or have their bid sheet signed by an individual of legal age, accepting responsibility for payment.

17. Any lot determined to be inaccurate may be withdrawn from the sale at any time.

Late bids may be mailed by Special Delivery to Kagin's c/o The HOLIDAY INN RIVERMONT; 200 West Georgia, at Riverside Drive; Memphis, TN 38103. Late bids must be received by Kagin's no later than the morning of Friday, June 19, 1981. Since bids are frequently received after the sale, late bidders are urged to phone their bids to: Kagin's TOLL FREE 1-800-247-5335.

# HOW TO BID

### What to Bid On:

As you read through the catalog for the first time, record the numbers of all the lots you are interested in on a worksheet. If you are interested in specific types of coins, be sure to check the catalog index.

### How Much To Bid:

The price you bid is determined by you. You must remember the value that you place on the coins. Check the descriptions in the catalog and decide what you are willing to pay. You should bid generously on the lots you strongly wish to obtain. If there are some lots you would like to have 'if the price is right', then you may want to place nominal bids on those lots. Because a number of collectors choose to bid on many lots, the number of successful bids will be relatively small. This is controlled by a very active market. **You can safely extend your bidding** (and take advantage of a 'bargain') by placing a dollar total limit on your bids. Should your total be reached before all your bids are executed, we will then terminate your bidding.

Remember that your bids are limits. It is possible, and quite often does occur, that you will succeed in purchasing a lot for less than your bid since we start the floor bidding at about 5-10% above the second highest mail bid. Example: You bid $500.00 on the lot and the next highest mail bid is $400.00; we start the lot bid at $425.00. If there are no bids from the floor, you will then be awarded the lot at $425.00 - or if the floor bidding stops at perhaps $450.00 or $475.00 then you will receive the lot at a small advance above the top floor bid. If bidding continues above the $500.00, then that floor bidder will be awarded the lot.

### How to Fill Out the Bid Sheet

On the Bid Sheet you will observe that there are two different column headings: Lot and Bid. When you decide on which lots you want to bid, enter the lot numbers under the proper column and the maximum amounts you are willing to pay for those lots in the proper column.

| LOT | BID | LOT | BID |
|---|---|---|---|
| 482 | 550.00 | | |
| 517 | 900.00 | | |
| 614 | 130.00 | | |

If you have circled one of the increase percentages, you will be allowing us to increase your maximum bid in order to obtain the lot which is going for more than you had anticipated. We will buy the lots for you as low as possible as outlined in the TERMS OF THE SALE.

# GRADING STANDARDS

## Currency

**Gem Crisp Uncirculated (Gem CU)** - Bright and well centered. Full original crispness with no handling or aging. A virtually flawless note.

**Choice Crisp Uncirculated (Choice CU)** - Flawless appearance. Close examination might reveal teller handling, minute pinholes, or very light aging. A note with an excess of the above-mentioned defects would not be considered Choice.

**Crisp Uncirculated (CU)** - No folds or corner creases. May have obvious aging, rounded corners, handling marks, pinholes or other flaws that indicate mishandling. A note that does not retain full crispness or appears starched should be carefully examined for processed or pressed-out folds.

**About Uncirculated (AU)** - The criteria for this grade is basically the same as for Uncirculated but a note may have a single fold or several small corner creases. Nearly perfect notes in this grade usually bring premium prices over notes showing signs of mishandling.

**Extremely Fine (EF)** - Two or three creases evident. The note should be bright and retain nearly full crispness.

**Very Fine (VF)** - Notes in this grade show obvious use. May have several folds and have started to lose some of its original crispness. Light soiling due to normal handling is accepted. Heavy soiling on creases and excessive handling or loss of crispness is not acceptable in this grade.

**Very Good (VG)** - May be soiled and well worn. All engraved features clear and complete. Margins must be intact.

**Good (G)** - Heavily soiled with no original color or body. May have frayed margins and small tears. Engraved features will be visible but not bold.

Your mail bids are important! In all of our sales, a large number of lots "go to the book." We realize that many collectors are unable to attend auctions in person. Study this sale, make your selections and mark your bids. Be sure to check your lot numbers and amounts as we cannot be responsible for errors in this regard.

Feel free to include any comments or suggestions you may have to make our catalogs a more useful and accurate mail bid tool.

## CHOICE PEDIGREED $20 1882 GOLD CERTIFICATE

368. **$20 1882 F1176,** Bruce-Wyman, **Brown Seal,** bust of President Garfield at right. *From the celebrated A.A. Grinnell Collection of the early 40's* to the late Bill Donlon. Termed **UNC GEM** by both collectors although there is a hint of two faint possible creases when closely examined on the reverse. Nevertheless, we would have to agree that this is probably the finest specimen we have had the privilege of offering! Even our extensive 1977 ANA Sale did not have any. *We doubt if a superior one does exist!* A rare opportunity for one who wishes to obtain the finest.

# COMPOUND INTEREST NOTES

## EXTREMELY RARE $10 1864 F190a COMPOUND INTEREST TREASURY NOTE

387. **$10 1864 F190a,** Chittenden-Spinner, *dated July 15, 1864,* **Choice Sharp Very Fine** (acquired as *Extremely Fine*). Excellent color throughout, *nice margins,* no margin tears, nicks, etc., and the bronze overprinting retaining *nearly complete original metallic luster!* 90% that we have seen over the years have had portions "eaten through" the paper (caused by the chemical in the ink overprint). Issued for three years compounded every six months at 6% interest. This note is among the *Finest specimens that we have seen in this remarkable state of preservation!* Superior to the Friedberg Plate Note! Friedberg lists this as *"EXTREMELY RARE"* without price and listed no higher than Fine. This outstanding rarity should exceed its cost of $7,500.

## $50 1864 Civil War Compound Interest Note

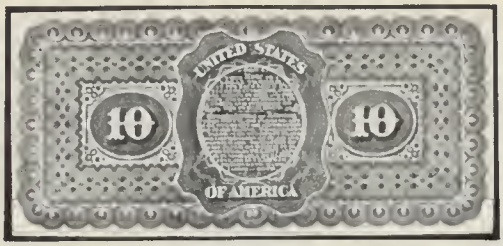
388. **$50** *Oct. 15, 1864,* **F192b,** Colby-Spinner, busts Loyalty (female) and Hamilton, **Fine to Very Fine** with *UNUSUALLY NICE MARGINS* (larger than normal legal size resulting in most of the few known having trimmed and ragged margins), rub spot on center rev. A remarkable specimen as most come with center portions "eaten out" by the chemicals in the green overprint ink. Acquired as *"EXTREMELY RARE, LESS THAN 6 TOTAL KNOWN"* and *"AMONG THE FINEST SPECIMENS KNOWN."* Certainly *"ONE OF THE RAREST OF ALL TYPE NOTES!"*

# INTEREST BEARING NOTES

## $10 1863 ONE YEAR INTEREST BEARING NOTE

389. **$10 1863 F196,** Bust Chase at left, eagle holding flag at center. At right female allegory representing Peace. Payable at 5% interest for one year upon presentation of the note. Unusual overprint at right *"February 29, 1864" (leap year). UNIQUE to the best of our knowledge!!!* **Choice EXTREMELY FINE!** Bright colors and unusually wide margins. Friedberg states, *"VERY RARE (about 15 known) of all dates overprinted."*

## $10 1863 Rare F-196 Reverse Proof



390. From the 3/79 New England Sale and described as follows: *"$10 F-196 India Paper* ***PROOF*** *of Green Reverse of 1863, mounted on green pasteboard.* ***Very Rare.*** *Vivid impression. Far superior to the illustrated note in Friedberg. About 15 complete notes known."* Cost $550 over two years ago; surely now worth over $1,000.

## $20 1863 ONE YEAR 5% INTEREST BEARING NOTE FINEST KNOWN?

391. **$20 1863 F197,** Head of Lincoln at right & female allegory at left representing Victory and overprinted March 12, 1864. A lovely **About UNC** note with fantastic brilliant vivid color and sharpness of detail. Close examination reveals a few *very faint folds* but nothing of any noteworthy significance. *This specimen could be very close to the finest, if not actually the FINEST KNOWN!!!* Friedberg states *"VERY RARE (fourteen known) of all dates overprinted."*

392. **$20 1863 F197** *with Overprint MAY 14, 1864,* bust Lincoln at right, female allegory at left represents Victory. Lower center has mortar firing. Note says "Worth $21, May 14, 1865", a "cut" of this same note (#180741) appears in Friedberg's *Paper Money of the U.S.* (it does up through the sixth edition, but was then replaced by a better condition specimen). Close to the Fine condition for which acquired; nice margins and color with some aging notes, brighter obverse than reverse. Friedberg states, "VERY RARE (about fourteen known)" and valued Fine at $4,750 in 1978. The rapid rise in values since then for superior notes (most known specimens are poor to very good with ragged margins for these oversize notes) leads us to believe this rarity will now exceed $5,000.

## $100 1863 INTEREST BEARING SPECIMEN NOTE

393. **$100 1863 F199 SPECIMEN UNIFACE** design 5% one year interest bearing notes. Washington standing between allegories, the Guardian at left and Justice, Printed by ABNCo on India paper, plate A, green with *partially* engraved date & word *"Specimen"* printed four times in red. ## $50 1863 National Customs Note — Essay

*Hessler states (page 91) "National customs notes were never issued, although they would have filled an obvious gap in the national currency system since neither legal tender nor interest-bearing treasury notes could be accepted as payment toward duties. The same design for the one year interest-bearing treasury notes with an overprint was considered for this design."*

396. **$50 ESSAY** (uniface), 1 year 5% note with *NATIONAL CUSTOMS NOTE* overprint in gold. Plate B, 4 cancellation holes, no specimen stamp. Similar face F198. **GEM Crisp UNC!** EX: Col. Green collection. Cost $2,500.

# MILITARY PAYMENT CERTIFICATES

*After World War II, the U.S. military personnel were paid in local currency which could eventually be changed into dollars. This resulted in converting to dollars of tremendous amounts of francs and marks.*

*A new system was devised to serve the needs of new currency with the issuance of MPC's valid in certain areas under control of the occupying military authority. These were issued to American military and civilian personnel, and were not negotiable for local population.*

*These new notes differed from the regular United States bills since they were not printed by the Bureau of Engraving and Printing but instead were lithographed by private printing firms, the Tudor Press Corp. and Forbes Lithographic Company of Boston. The Bureau of Engraving and Printing took over the printing of these notes beginning with series 611, issued on January 6, 1964.*

*Occasionally, it was necessary to recall all circulating MPC's and replace them with a new series; the previous series was no longer redeemable. These redemptions, or "C"-DAYS, as they were called, were quietly put into operation and were completed within a 24-hour period.*

*MPC's are no longer being used, but two series have been printed in case they are needed in the future. They have increased in popularity with new records being set, particularly for the more elusive pieces.*

**We are proud to present here one of the finest and most complete of MPC Collections to be offered in years.**

# ENCASED POSTAGE STAMP CURRENCY

## One of the Most Extensive Offerings to Appear in All Our Sales

*Encased postage was born out of necessity during the Civil War. As hostilities commenced the general public, as in most times of political and economic despair, began hoarding gold and silver coins. Hard currency or specie disappeared rapidly and soon even coppers and "white" cents were so scarce that the lack of "small change" significantly handicapped everyday business transactions. The natural alternative to specie was paper money, but there were no minor denominations as fractional currency was not yet invented. However, there was a government security that was produced in denominations under $1.00 — the postage stamp. Soon stamps were commonly used as currency, but they easily became soiled and sticky. Small envelopes solved the deterioration problem but created one of visibility. On August 12, 1862, John Gault of Boston patented a small brass encasement to hold a stamp which contained a mica (the only transparent substance other than glass then known) window with room for advertising on the back. These "encased postage stamps" were readily accepted and welcomed as a replacement of small change. Now these pieces are eagerly sought after by currency, token, coin and stamp collectors alike. The present strong demand for the relatively few known specimens are sending many to new auction records when they are offered.*

The lowest rates in our history! We invite comparison.

Over the past two years, we have expanded our operations to include in-house typesetting, photography, and graphic arts production. This has greatly increased our efficiency in producing auction catalogs. This efficiency means savings to us, which we are passing on to our consignors.

To help cover the cost of presenting public auctions, we are also instituting a slight 5% buyers charge. After extensive analysis of European and non-numismatic U.S. auctions, we have noticed that a 5% buyers rate has little or no effect on bidding.

The result of these new rates will be MORE NET PROFIT to our consignors.

*10% commission on items over $1,000 in value. 15% for items up to $1,000.

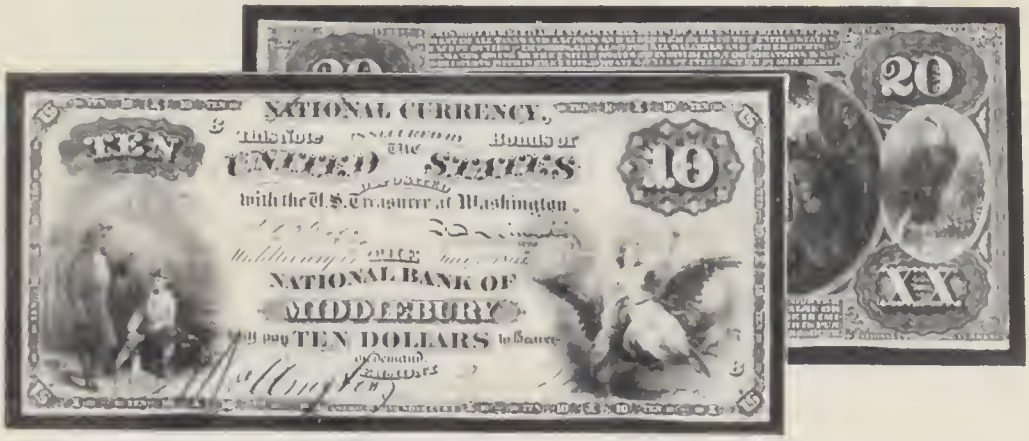
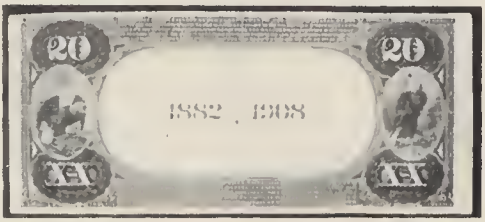
# DOUBLE DENOMINATION NOTES

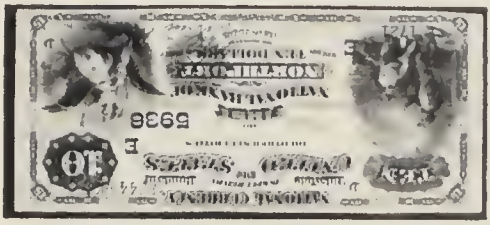
## "$30" $10/$20 DOUBLE DENOMINATIONAL FIRST CHARTER — UNIQUE!!!



1017. **$10 First Charter F412,** *Nat'l. of Middlebury, VT(1195) WITHOUT CHARTER OVERPRINT!* $10 on face and $20 on back (back not "inverted" as most are). Lot #1734 from the celebrated *GRINNELL COLLECTION!! THE ONLY FIRST CHARTER DOUBLE DENOMINATION KNOWN FROM ALL BANKS!!!*

## "$30" $10/$20 DOUBLE DENOMINATION PAIR 1882-1908 NEW YORK





1018. **$10 Obv./$20 Rev. 1882-1908 F545/555** *of First National Bank of NORTHPORT, NY(5936)* **Fine.** Also the next note from this sheet; **$10 Obv. & Rev., Choice Very Fine.** *BOTH NOTES HAVE INVERTED REVERSES!* Nice wide margins. Evidently a sheet containing three $10 and one $20 (the way they were printed) was picked up for inspection and then accidentally turned around when replacing it on the pile before the other side was printed — therefore one $10 obv./$20 rev., one $20 obv./$10 rev. and two $10 obv./rev. notes with *INVERTED OBVERSES* would be printed. Ex: 1959 A.N.A. Sale at $3,000; present value 22 years later ? How many years before this *UNIQUE PAIR* again appears upon the market?

# UNIQUE PAIR "$30" DOUBLE DENOMINATIONAL NOTES

1019. **$10 Second Charter, DENOMINATIONAL BACK F577,** Lyons-Roberts, *LOWRY NATIONAL BANK of Atlanta, GA(5318)* dated April 24, 1900. Lot 1739 of the celebrated Grinnell Sale.

*DOUBLE DENOMINATIONAL ERRORS* are perhaps the *MOST COVETED ERRORS,* and either of these two "$30" notes would be a fantastic prize, *but as a pair UNIQUE!* Literally a "Chance of a Lifetime" for the knowledgeable paper money specialist to acquire a pair of outstanding "Classic Rarities".
